

A presentation by Dr. Darryl Inaba, Pharm.D.

# The Evolving Science of Relapse & Recovery

Friday, May 15, 2009 from 9:30 am to 12 noon or 1:00 pm to 3:30 pm

Lorenzen Conference Center, Legacy Emmanuel Hospital

2801 N. Gantenbein Avenue ~ Portland, Oregon 97227

---

Recovery is a life-long pursuit and relapse is an insidious specter waiting in the wings to derail the journey. Join us for an exciting exploration of the science of relapse and recovery. Dr. Inaba will share new research as well delve into the neurobiology of the brain's memory function. The program also includes a screening of a new video on relapse and recovery produced by CNS Productions, Inc.

Seating limited to 150 per session  
Registration: [info@cnsproductions.com](mailto:info@cnsproductions.com).  
Please type "Portland" in the subject line,  
in the body of the email indicate your choice  
of sessions (morning or afternoon) and list the  
name, organization/agency, and daytime phone  
of everyone in your group planning to attend.

2.5 Hours of Continuing Education  
Accredited by the Addiction Counselor  
Certification Board of Oregon and the  
National Association of Alcoholism & Drug  
Abuse Counselors (#000182)
